IRRIGATION & CAD (PW-REFORMS) DEPARTMENT

G.O.Ms.No. 26

Dated: 26-03-2010

Read the following:-

1. From Engineer-in-Chief (Irrigation), Hyderabad, Lr.No. ENC(I)/DCE.IV/OTM5/1023/2007, dt. 25-11-2009.
2. From the Superintending Engineer , Irrigation Circle, Guntur, letter addressed to the ENC (Drainage Wing), Hyderabad, Lr.No. SE/DB/JTO-2/22 CE., dt. 7-1-2009.
3. From the Collector & District Magistrate, Guntur, Letter addressed to the ENC(Irrigation), Hyderabad, Lr. No. Rc.1240/2009-D1, dt.3.4.2009.

ORDER:

The Engineer-in-Chief (Irrigation), Hyderabad, in his letter 1st read above, has stated that M/s .Hindustan Coca-Cola Beverages Private Ltd. has represented dt. 7.12.2007 and requested to accord permission to use Surface Water to a quantity of 2150 cum /day or 0.878 cusecs or 0.02TMC/Annum in their plant located at Atmakur (V) of Guntur District from KW Main Canal at Km 10.30 RB. The Engineer-in-Chief, (Irrigation), Hyderabad, has also stated that the Superintending Engineer, Irrigation Circle ,Guntur in his letter dt. 7-1-2009 has reported that the actual requirement of the Firm is considered to be very less and it may not affect upper and lower riparian rights .Considering a closure period of 3 months of KW main canal the requirement works out to 0.02 TMC per year ,which is negligible and may accord permission duly following the usual Terms and Conditions .The Superintending Engineer has enclosed the concurrence of Pollution Control Board (PCB) , District Collector and NOC from Project Committee along with index plan showing the source of canal etc. Further the Superintending Engineer has furnished the information in the prescribed Proforma duly recommending the proposal for allocation of water for 10 years , security deposit at the rate of 2.5% and Advance Water charges for one year.

2. Government after careful examination of the proposal hereby accord permission to the Engineer-in-Chief (Irrigation) to supply 0.88 cusecs of water (0.2 TMC per year) from the Krishna Western Main Canal to M/s Hindustan Coca-Cola Beverages Private Ltd., Atmakur (V), Mangalagiri (M),Guntur District, for a period of 10 years under consumptive use with usual terms and conditions subject to the following conditions:-

1. The concurrence of the District Collector, Guntur for the proposals has to be obtained before drawing the water and taking up the work.
2. The consent of WUAs/PC under this system has to be obtained before drawing the water and take up the work.
3. The firm has to make their own arrangements for lifting of water from the KW Main Canal.
4. The firm shall not cause any damage to the canal banks or structures while laying the pipeline or lifting the water.
5. Water will be supplied based on the availability in the canal and the firm will not have any right what so ever in this regard as their interests will be sub-servient to the interests of ayacutdars and the firm has to make its own arrangements for water during the periods of scarcity of water &during the closure of the canal.
6. A water meter should be installed by the firm at their own cost including the proper repairs and maintenance to measure the water consumed and should be made available to the Department Officers at all times of inspection .
7. The cost of construction, repair and maintenance of the proposed sluice shall be borne by the firm.

//2//

8. The raw water charges shall be paid (Collected) in terms of G.O.Ms No: 39 Irrigation & CAD Department dated 2nd April 2002 or as fixed by the Government from time to time.
 9. The permission given is valid for a period of 10 years from the date of concluding the Agreement.
 10. No field bodhie or pipeline shall be taken through or along the Govt land without approval of Government.
 11. The operation of the sluice will be solely under the control of Irrigation Department.
 12. The firm shall pay in advance an amount as specified by the department.
 13. Security deposit at the rate of 2 ½ % (Two and half percentage) of water charges payable for 10 years at the current water charges has to be paid
 14. The permission of concerned Departments such as Roads& Buildings Department or Panchayat Raj Department or Irrigation Department has to be obtained for laying pipeline in their jurisdiction before taking up the work.
 15. The Government reserves the right to reduce the quantity of water agreed for supply (or) altogether cancel the permission and such reduction /cancellation shall not be questioned by the firm.
 16. The water charges are payable every month against the bills raised by the Department.
 17. Any other conditions that are considered necessary and as decided by the Department shall be imposed.
 18. Violation of any of the conditions mentioned above shall entail the cancellation of permission granted for drawl of water without any notice.
3. The Engineer-in-Chief (Irrigation), Hyderabad, shall take necessary further action accordingly in the matter.
